Appointments

Please ring ph 97286869 for an appointment. Every effort will be made to accommodate your preferred time & GP. Emergencies will always be given priority & our Reception staff will attempt to contact you if there is any unforeseen delay or your GP has been called away. Longer consultation times are available, so please ask our receptionists if you require some extra time. If you or a family member requires an interpreter service, we can organise this for you. Please let us know when you make the appointment .
Appointments cannot be made or altered via email.

Missed or cancelled appointments

At least 2 hours notice must be given (by telephone) otherwise a cancellation fee will be charged & will need to be paid before your next appointment with the Doctor.

Care outside normal opening hours

- After hours home visiting and free phone advice
Ph: 132660
- Nurse on Call: 1300 606 024

Home Visits

Home visits are available for regular patients of this practice whose condition prevents them from attending the surgery (where such visits are safe & reasonable & are within a 6km radius from the surgery) Home, residential aged care facility, residential care facility or hospital can be visited both within & outside normal working hours. Requests must be made before midday on weekdays.

Telephone Access

GPs in the practice may be contacted during normal opening hours. If the GP is with a patient, a message will be taken and the reception staff will advise you when it is likely that the GP will return your call. In an emergency your call will always be put through.

Reminder System

Our Practice is committed to preventative care. Your Doctor will seek your permission to be included on our reminder system. We may issue a reminder notice from time to time offering preventative health services appropriate to your care such as for Pap Smears, Diabetes & Asthma Management, childhood & adult immunisation.

Management of your personal health information

Your medical record is a confidential document. It is the policy of this practice to maintain security of personal information at all times & to ensure that this information is only available to authorised members of staff. We abide by the APP's (Australian Privacy Principles) available at www.oaic.com.au.

ehealth www.ehealth.gov.au

A personally controlled eHealth Record (PCEHR) is a secure online summary of your health information. You control what goes into it, and who can access it.

Your PCEHR allows you and your doctors, hospital and other healthcare providers to view and share your health information to provide you with the best possible care.

Any information you wish to upload onto the record by your GP will have to be approved by you. This will be done during a consultation with your input.

Smoking policy

This practice has a no smoking policy.
